

AHERA Work Permit – F&S and Tech Services

All University personnel performing maintenance and construction work must have an authorized work permit before work can begin. To complete the AHERA Work Permit:

- The Requestor (must be a supervisor/manager) must complete **Sections I: General Information, II: Description of Work**, and **III: Assigned Personnel** sections.
- The requestor and all assigned personnel must review the attached asbestos locations maps and complete **Section IV: Confirmation of ACMs** before work can begin. This permit must be available at the worksite during work activities for review by Uni High School, University Primary School, or S&C personnel.
- Once the work is finished, the Requestor or their designee must complete **Section VI: Closeout** and return to S&C.
- For emergency work during non-business hours, the on-call employee can complete the work permit as the requestor. Include "Emergency Work" in **Section II: Description of Work**.

Section I: General Information

Building: Uni High School (0061) Uni High Gym (0063) Kenney Gym/Gym Annex (0021/0005)

Children’s Research Center (0075)-University Primary School portions

Room(s): _____

Scheduled Start Date: _____ Scheduled Finish Date: _____

Requestor Name: _____ Contact #: _____

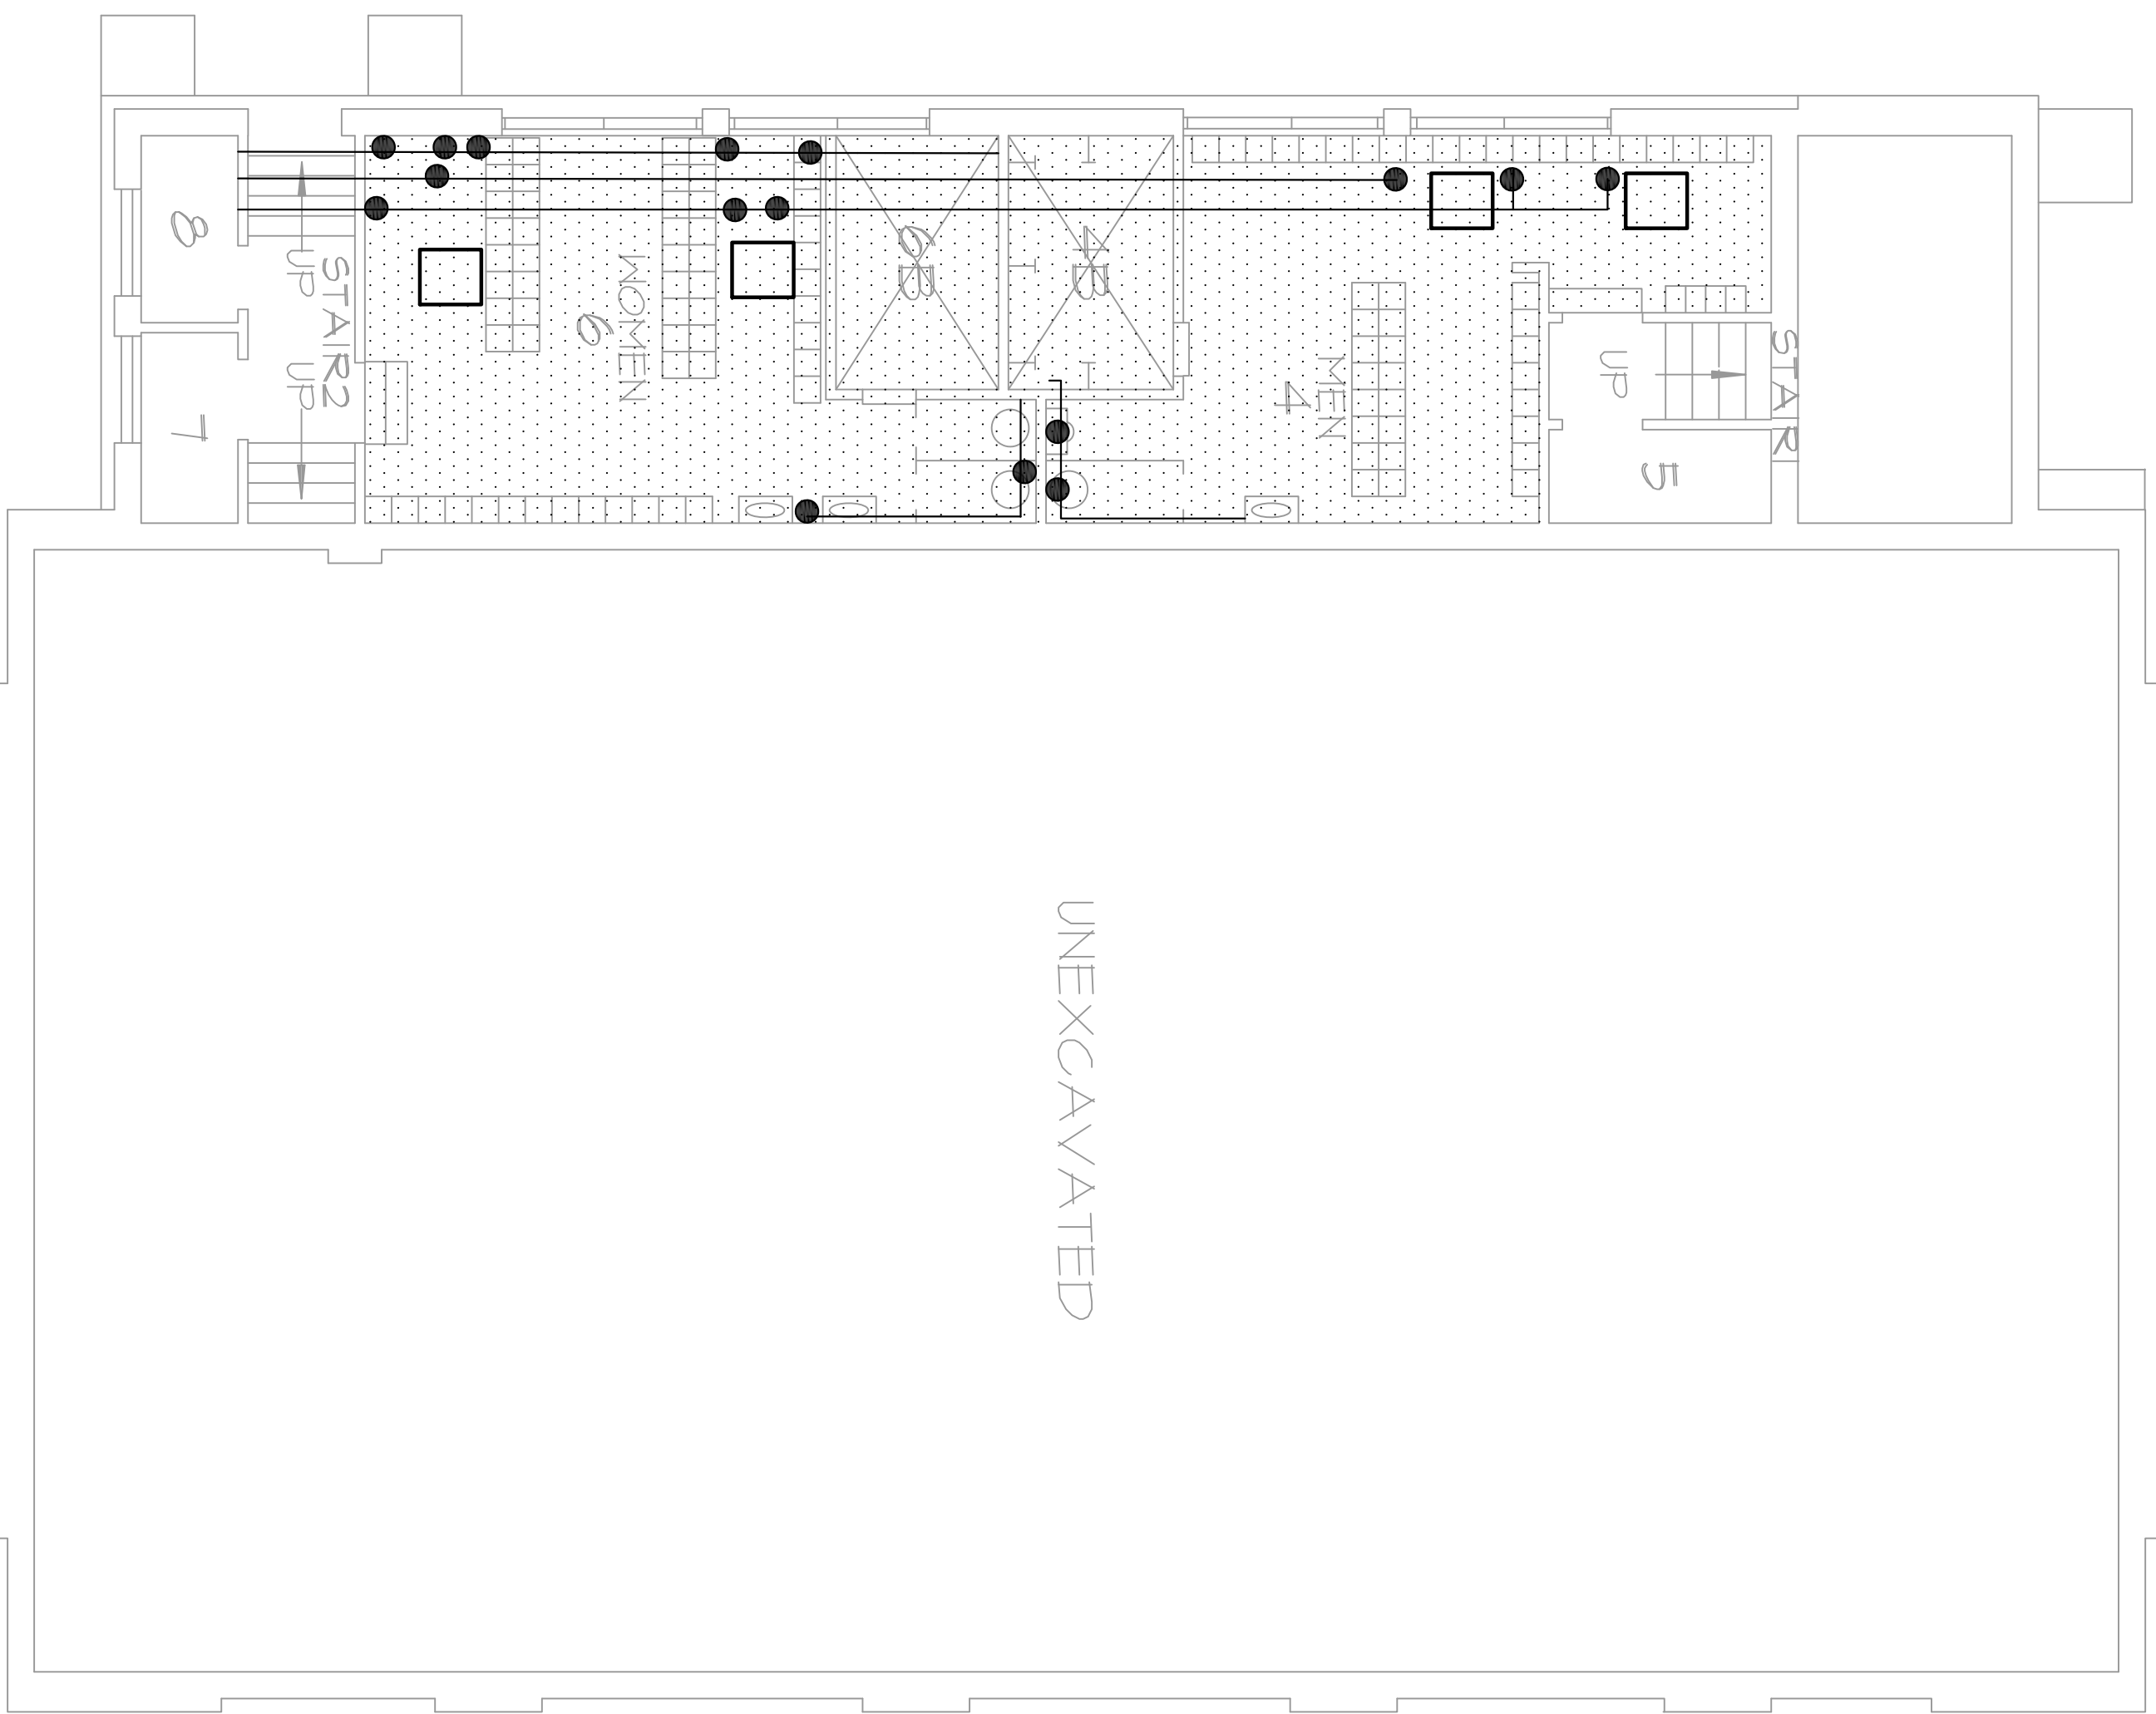

Requesting Unit: F&S OMA, Shop _____ F&S UES, Shop _____ Tech Services

F&S Work Order #/phase: _____ Tech Services CSR#: _____

Section II: Description of Work

Section III: Assigned Personnel

Name	Initial 2-hour Asbestos Awareness Training Date	Current Refresher Training Date

MATERIAL KEY	
	ASBESTOS PIPE AND FITTING INSULATION
	ASBESTOS FLOORING MATERIALS UNDER (FLOOR TILE, MASTIC AND/OR STRIPPING)
	ASBESTOS CONTAINING PLASTER WALLS AND CEILING
	HVAC VIBRATION JOINT CLOTH
