

Facilities & Services (F&S) is responsible for all physical plant, operational, and essential services necessary at the university. F&S supports the university's mission by improving the physical condition of the facilities and grounds, implementing energy conservation initiatives, and increasing customer satisfaction by providing quality services.

Visitor Guide

I ILLINOIS
Facilities & Services

Upon entering PPSB, please use the digital touch screens located in the lobbies to help identify conference room locations or to access an employee directory. For your convenience, use the nearby phone to have employees meet you at your location.

F&S MAIN LOCATIONS

Physical Plant Service Building

(1501 South Oak Street)

F&S Crafts & Trades and Administrative Offices

Northwest corner of Oak Street and Kirby Avenue

Garage and Car Pool (1701 South Oak Street)

Transportation & Automotive Services department

Southwest corner of Oak Street and Kirby

Stores & Receiving (1609 South Oak Street)

Central Stores

Just west of Garage and Car Pool, in the same parking lot

Parking

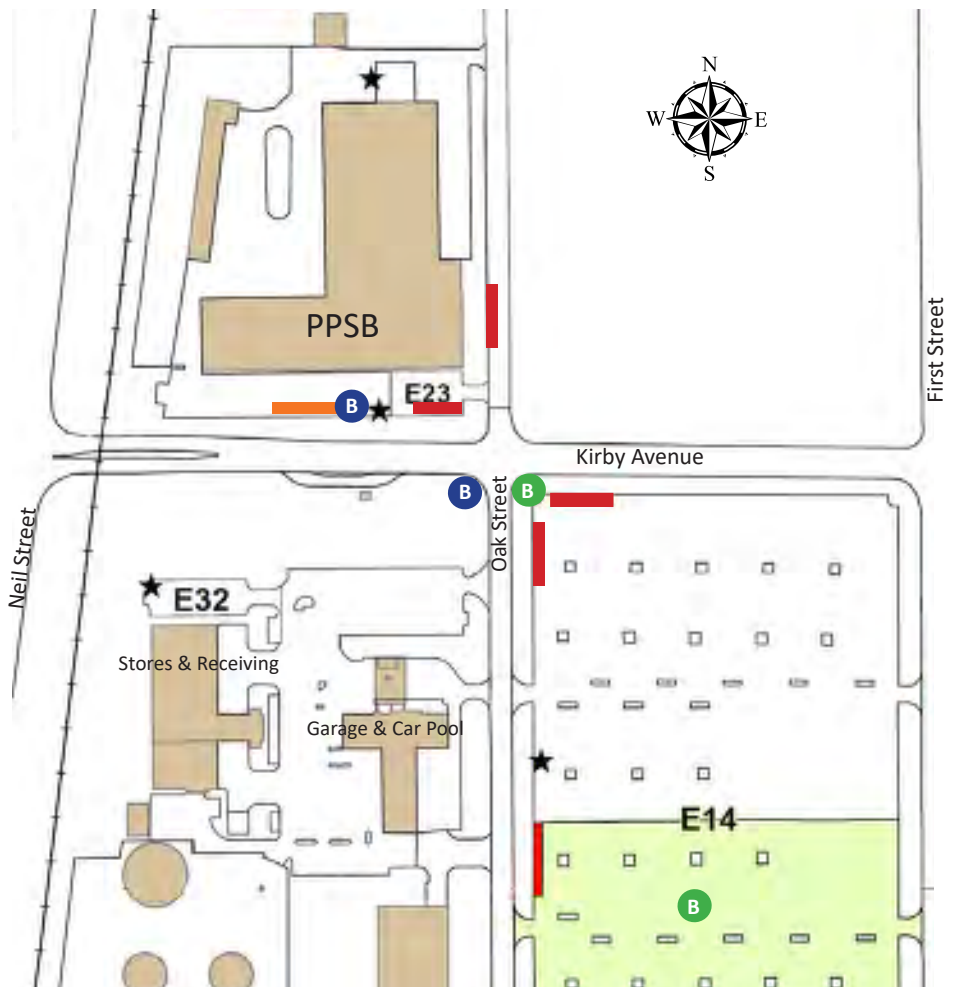

Physical Plant Service Building (PPSB)

A limited number of designated visitor spaces are available next to Lot E23, adjacent to the south side of PPSB.

Metered Spaces

If all designated visitor spaces are occupied, metered spaces are available in Lot E23, on the west side of Oak Street, and in the northwest corner of Lot E14, catercorner to PPSB.

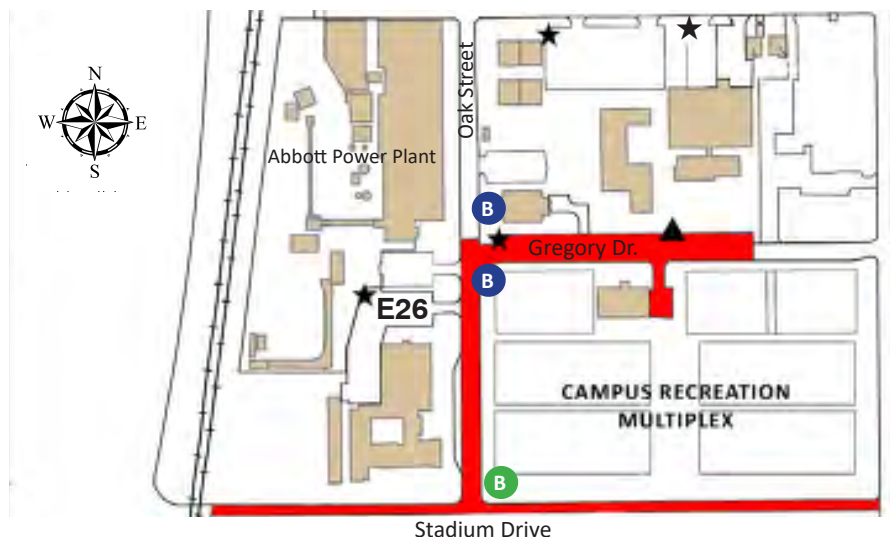

Note: There are no visitor parking spaces in the Garage and Car Pool or Stores & Receiving parking areas. Please follow instructions for PPSB parking.

(Parking/alternative transportation information continued on the back)

OTHER F&S LOCATIONS

Abbott Power Plant (1117 South Oak Street)

Abbott is located on the northwest corner of Oak Street and Gregory Drive. There are no available visitor parking spaces at Abbott Power Plant; however, metered spaces can be found on Oak Street just south of Abbott, as well as on Gregory Drive.

Waste Transfer and Material Recovery Facility (10 St. Mary's Road)

Located on St. Mary's Road, directly east of the railroad tracks, the facility has no public parking. Please contact recycling@illinois.edu, for further information about Waste Management.

Active Transportation

Public Transportation

The southeast corner of the Oak Street and Kirby Avenue intersection is a stop along three MTD bus routes: the 1 Yellow, 10 Gold, and 14 Navy. The intersection of Oak and St. Mary's Road is serviced by all three routes, plus the 9A and 9B Brown. These locations are identified on the map to the left.

To reach Abbott Power Plant, the 4 Blue route stops at the corner of Stadium Drive and Oak Street, roughly two blocks south of the plant. For additional information, please visit www.mtd.org.

Bicycles

Bicycle racks are located near most major F&S buildings. Please refer to the map to find the rack closest to your destination.

Motorcycles

Motorcycle parking is also available for those with valid motorcycle-parking permits in lots E14, E23, E26, E32, and on Gregory Drive near the corner of Oak Street. Please refer to the map for more details.
