

Laborer-Electricians

Laborer-electricians serve all lighting needs on campus.

Services

- Perform lighting upgrades
- Clean fixtures
- Reevaluate lighting in offices, labs, and other spaces
- Recycle/dispose of used bulbs (per EPA guidelines)

The laborer-electricians provide yearly fixture cleaning in public areas, especially for public events such as commencement ceremonies. They also offer fluorescent bulb recycling services to various auxiliaries, including Housing and the I Hotel and Conference Center.
