Daniel Street Road Closure
(between Fifth Street and Sixth Street)

CHAMPAIGN – In order to perform a sanitary sewer and sinkhole repair, A&R Mechanical Services, Inc. has closed a portion of Daniel Street between Fifth Street and Sixth Street. No through traffic will be allowed on the block; however, access to local properties will be maintained. The intersection of Daniel Street and Fifth Street will also remain open to traffic.

The work is scheduled to be completed and the area reopened to normal traffic by 4 p.m. on Wednesday, July 31, 2024, weather permitting.

This work is weather dependent and may be delayed in the event of inclement weather. Please pay close attention to traffic control devices in the area. The City would like to thank you for your cooperation and patience during this project.
