**Fifth Street Road Closure**

*(between Chalmers Street and Armory Avenue)*

CHAMPAIGN – In order to complete a sewer repair, SNC Construction will close Fifth Street between Chalmers Street and Armory Avenue.

The closure will begin at 7 a.m. on Wednesday, January 7, and reopen by 4 p.m. on Monday, January 12, 2026, weather permitting.

Please use an alternate route to avoid the road closure. The City appreciates the cooperation of travelers in the area and encourages caution when traveling near work zones.
